

PUPPY TAKE-HOME

Information Guide for Mason Meadow Families

Your Puppy Will Go Home With

Provided	Information
Tail docked	Your puppy’s tail will be docked before placement.
Dewclaws removed	Your puppy’s dewclaws will be removed before placement.
Veterinary wellness check	Your puppy will receive a veterinary wellness examination before going home. Available veterinary records will be provided for your files.
CKC registration form	You will receive the original Continental Kennel Club Puppy Registration Application for your puppy, along with instructions for completing registration in your name.

CKC Registration Reminder

Keep the original breeder-signed puppy application safe, complete the owner information carefully, and follow the included CKC instructions. Registration fees and optional packages are the new owner’s responsibility.

Ear Cropping Policy

NOT PROVIDED BY MASON MEADOW

Ear cropping is not arranged, performed, or included by Mason Meadow. We will not provide cropping timelines, veterinary referrals, crop-style recommendations, procedure instructions, posting or aftercare guidance, or scheduling information.

Mason Meadow puppies are placed with their ears in their natural condition. Any later decision is solely the owner’s responsibility and must be discussed independently with a licensed veterinarian. The owner is responsible for all arrangements, expenses, medical decisions, and follow-up care.

New Owner Responsibilities

- Schedule an appointment with your veterinarian promptly after pickup and bring the take-home records.
- Complete CKC registration and microchip enrollment, if applicable; these are separate processes.
- Keep the contract, CKC application, veterinary records, and identification information together.
- Contact Mason Meadow if breeder-supplied paperwork is incorrect or missing.

OUR COMMITMENT

Mason Meadow’s support focuses on a healthy transition, accurate records, registration paperwork, temperament, training foundations, and responsible lifelong ownership.
